Mr. Phung Quang Thang

Chairman
Vietnam Green Tourism Association

Mr. Phùng Quang Thắng has over 30 years of experience in the tourism industry, having held various key positions at Hanoi Tourism Corporation and the Vietnam Tourism Association, including many years as Director of Hanoi tourist Travel Company.

He is a regular speaker at the Vietnam Tourism Forums and national conferences on creative tourism, green tourism, and sustainable development, and serves as a member of several scientific councils and national standardization committees in the field of tourism.

Currently, as Chairman of the Vietnam Green Tourism Association (VGTA), he is leading the implementation of the “VITA Green” Sustainable Tourism Criteria, aiming to promote green transformation and sustainable development for tourism enterprises in Vietnam.
